New School App

Our new school app is now live and we want to encourage parents and caregivers to download it. We believe this will improve communication between the school and our whanau. The app is funded totally free to the school by sponsorship of businesses for a small annual fee of \$275. There is a limited amount of how many businesses the app can feature.

We would appreciate it if you would consider featuring your business in our school app, but there is no pressure for you to do so.

For further information please feel free to contact Tara Penaha at The Skool Loop App: Tara@skoolloop.com or phone 0800 238 379.

Simple and free download: In Google Play and App store search "Skool Loop" & choose our school once installed!
