Find the Way, Know the Way, Lead the Way

Tena Koutou, Talofa Lava, Fakaalofa lahi atu, Kia Orana, Taloha, Malo e lelei, Greetings to you all

Welcome to the end of Week 6. We are getting closer to camp and I would like to thank you for returning your permission slips to the office. YMCA Camp Kaitoke are wanting definite numbers next week so I will be making telephone calls to our whanau who have not communicated their intentions.

The Room 5 students will be informed next week of which days they are attending camp as I need to balance the numbers with the instructors being allocated.

We will be holding a short Camp Whanau Information Night on **Monday 10th September starting 5.30 p.m.** in the hall. I will be able to share the information that I have received from the camp around the activities. YMCA Camp Kaitoke are Outdoors Mark Adventure Activity Safety Audit Certified.

With our fundraising efforts we have been able to lower the price of camp to \$170.00, so please continue to support our Bake Sales, Hangi and Fundraising lunches as we will be continuing with these into next term.

Last week our TBISSG (Whanau Support Group) organised a Comedy Night which was held at Gear Homestead. It was a great night so a big thanks to the organisers as well as those who supported this event.

In the office area you may have come across a new member of staff. Charissa Deats has joined our TBI Whanau and is working alongside me as well as supporting in the office area, so a big welcome to Charissa.

Tuhono I te Ao

We have been given an opportunity to take our students to Te Rauparaha Arena for a Science expo called Tūhono I te Ao - Connecting the Worlds where science meets Māori and Pacific culture. This will be held on Tuesday 4th September starting at 12.30 – 2.30 p.m. This event is free admission for our students and we will walk our students to and from the Arena. Please return the permission slip if you would like your child to attend.

Field Fence

You would have noticed that our field now has it's new fence going along the Main Road. What a difference it makes to the look of our field. Many people have questions around the location of the new fence and here is the answer. The fence is now on the correct boundary line of our school property. It does look a lot nicer with the trees on the outside of the fence.

We are just in the process of getting the Te Pene Ave section of the fence approved.

Classroom Upgrades

We have finally had confirmation that the upgrades of Rooms 4 and 5 will begin on September 18th 2018. This has been a long process due to the processes that are required from the Ministry of Education. So these two classes will be moving in the next few weeks and space will be tight while the upgrades are happening.

Board of Trustees

As you would be aware, Chris Edmonds resigned from our Board of Trustees last term. I would like to thank him for the time that he gave to Titahi Bay Intermediate.

Through the selection process we welcome Jason Pierre onto our Board of Trustees.

Trophy Night

Trophy Night will be held in Week 9 due to camp. If your child received a trophy last term, now is the time to get it engraved if you would like and returned to the school office.

Intermediate Rugby Tournament

Unfortunately we do not have the numbers required to field a team for this event, mainly due to the 70kg weight restriction. We are not the only Intermediate in this situation but we are hoping that it will be addressed for 2019 through the Wellington Regional Intermediate Schools Sports Association. Let's hope we can field a team for 2019.

Website Update

We are now into our final stages of our new website with training for Charissa and myself. I will let you know when this goes live. We will continue to work on it while we release sections of it as it will be a work in progress.

TBI School App

We are just looking at changing our provider for our school app. This will hopefully provide us with a more user friendly app so that we can get more information out via another avenue.

ZUMBA at TBI

Zumba classes are held at Titahi Bay Intermediate every Tuesday night, 6.00 p.m. - 7.00 p.m. the cost is \$5.00. Come along and enjoy the moves and grooves of Zumba with either low or medium intensity, the choice is yours.
